

## **PARTNER SEARCH PUBLICATION FORM**

**The:**

local Ombudsman office of the municipality of Paterna (Valencia-Spain)

**Is looking for:**

Partners for submitting a proposal to the next “Europe for Citizens” call. The proposed project will focus on citizen participation in order to promote good quality in Public Administration services, which should look after the interests of the citizens with total independence and with criteria of lawfulness and equality. The project will include the following activities: creating a useful network of twinned local Ombudsman municipally offices; organizing working seminars, public debates and lectures related to the local Ombudsman institution.
