

PARTNER SEARCH PUBLICATION FORM

The:

Theatre company “Compagnie du Bateleur” from France

Is looking for:

Partners to develop a spectacle for children aged 4 or less in connection with “the shoe”. The topic is rich, the object amusing to go to visit countries, tales, dances and songs. From time immemorial, “the shoe” was a means of posting its social status, and reflected the evolution of manners and the modes. It illustrates the character and the activity of the person who carries them. It also shows the various cultures and civilizations who share the world and the times. With these shoes, the two actors will tell and make live simple and education stories through historical characters like: Mr. Poulaine, Mrs. Chopine, Mr. Escarpin, Paduka, or imaginary, magic like Ali Babouche, Jimmy Clappers and so much of others...
