

The Municipality of Elche (Alicante, Spain) is seeking partners for a project idea called “Radio Exchange”, in the framework of Youth in Action Program.

The project concerns the development of a radio program (“Radio Exchange”) aimed at youth. The goal of the activity is promoting communication, mutual learning and coexistence among citizens from different countries, joint preparation, production and dissemination of program results, to make them feel active citizens in democratic life of their nations.

The partners desired must meet any of these requirements:

- Be an organization
- Be a local or regional public organization
- Be an active organization at European level in the youth field (ENGO)

And they must have a radio station or the possible access to a non profit / non-governmental radio station.

Deadline for expressions of interest is: September, the 7th.

If you are interested, please, contact Nieves Lillo (nlillo@ayto-elche.es) or Fini García (fgros@ayto-elche.es).
