

Partner search for a Comenius multilateral partnership addressed to primary schools (aged 5-10)

A primary school (5-10 year olds) in Carmarthen, South Wales, UK would like to start a Comenius multilateral project again (they did one 2 years ago). They are open to discuss ideas of themes with their partner schools. They are looking for 3 partner schools, and especially one from France or French-speaking Belgium as they are teaching French in the school.

Deadline for the submission of proposals: 21 February 2013
