

Partner search request within the program of Rights and Citizenship

The cultural association Progetto Zattera looks for partners in Europe for the second edition of the project "FOOTPRINTS", a local Festival for Children's Theatre, which took place in the Province of Varese.

Objectives of the Project is to promote rights of children and the principles of non-discrimination, increasing awareness and knowledge of law and policies of European Union.

Actions are training and live shows.

The project will last about 24 months (2 years).

The deadline for the partner search is September 2014.
