

Partner Search for ERASMUS PLUS VET KA2

Forte Chance Piemonte, an accredited VET provider for Professional Training and Guidance in Regione Piemonte, Italy, is searching for institutions (VET Centres, Professional Associations, Enterprises) active in the fields of renewable energies and sustainable housebuilding, to involve in a Strategic Partnership within the "Erasmus+" Program - Key Action 2 (deadline 30.04.2014).

The project foresees the sharing and creation of innovative didactic tools (also using ICTs), the development of common modules, the realization of moments of joined staff training, and the experimentation of structured curricula in blended mobility.
